

SSDF, recognized by the NCVET

On December 15th, 2023, Skill India Digital Hub (SIDH) welcomed SSDF as a new member to its esteemed roster of awarding bodies. SSDF, recognized by the National Council for Vocational Education and Training (NCVET), brings its expertise and commitment to skill development to the digital forefront through this collaboration. The Skill India Digital Hub, serving as the Digital Public Infrastructure (DPI) for skill development, education, employment, and entrepreneurship in India, provides a centralized platform for various stakeholders to access and engage with skill development initiatives. With a core focus on innovation, accessibility, and personalization, SIDH aims to revolutionize skill development by leveraging digital technology and addressing the demands of Industry 4.0. By onboarding SSDF, SIDH strengthens its mission to empower individuals with the skills required to thrive in today's dynamic job market. SSDF's affiliation with SIDH underscores its dedication to advancing skill development practices in line with national objectives. Through collaborative efforts, SSDF and SIDH are poised to drive meaningful impact and contribute towards building a skilled workforce equipped for the challenges of tomorrow.
