

## SSDF SIGNS STRATEGIC KNOWLEDGE PARTNER AGREEMENT WITH CFR ASSET RECONSTRUCTION INDIA LTD

Date: [30<sup>th</sup> July 2025]

Safety Skill Development Foundation (SSDF) is pleased to announce the signing of a Knowledge Partner Agreement with CFR Asset Reconstruction India Ltd, a reputed organization engaged in financial restructuring, asset recovery, and business process automation services aimed at enhancing institutional performance and sustainability.

This partnership marks a significant step forward in strengthening India's skill development ecosystem through technology-driven solutions and financial innovation.

### ◆ Key Objectives of the Partnership:

- Design and rollout of high-impact skilling programs and certification frameworks
- Automation of SSDF operations, including Learning Management Systems (LMS), Service Level Agreements (SLA), e-commerce, and employment exchange modules
- Establishment of Centers of Excellence and Common Facility Centers
- Strengthening of financial, legal, and regulatory compliance systems
- Joint efforts to access grant funding, promote financial inclusion, and build long-term sustainability
- Development of web-based integrated platforms for managing training, reporting, and stakeholder engagement

Both organizations have committed to sharing knowledge, resources, and innovation to build a robust, future-ready skilled workforce. The partnership also aims to benchmark global best practices, support livelihood initiatives, and contribute to national skilling and employment goals.

This collaboration reaffirms SSDF's mission to create safer, skilled, and empowered communities through industry partnerships and innovation-driven solutions.
