

MOU EXCHANGE CEREMONY | SAFETY SKILL DEVELOPMENT FOUNDATION (SSDF) & NATIONAL ACADEMY OF CONSTRUCTION (NAC), ANDHRA PRADESH

Date: [17th April 2026]

The **Safety Skill Development Foundation (SSDF)** has entered a strategic partnership with the **National Academy of Construction (NAC), Andhra Pradesh** through the signing of a **Memorandum of Understanding (MoU)**. This collaboration marks a significant milestone in advancing skill development, safety training, and employability opportunities across the state.

The partnership reflects a shared commitment to strengthening workforce capabilities by integrating **industry-relevant training, occupational safety competencies, and employment-oriented initiatives**, particularly within the construction and allied sectors.

Key Areas of Collaboration

1. Skill Development & Training

Implementation of structured training programs aligned with evolving industry requirements, focusing on enhancing technical and safety skills.

2. Industry Linkages

Strengthening collaboration with industry stakeholders to ensure demand-driven skilling and improved workforce readiness.

3. Employment Opportunities

Facilitating job placements, apprenticeships, and career pathways for youth through coordinated efforts and industry engagement.

4. Capacity Building & Certification

Promotion of certification programs, Recognition of Prior Learning (RPL), and continuous professional development initiatives.

This collaboration aims to **empower youth with employable skills**, improve alignment between training and industry needs, and contribute to **sustainable economic growth in Andhra Pradesh** by building a future-ready workforce.
