

SSDF & Asset Author Pvt. Ltd. Collaborate to Strengthen EHS Assessment and Certification

Safety Skill Development Foundation (SSDF) is pleased to announce the signing of a Memorandum of Understanding (MoU) with Asset Author Pvt. Ltd., an Assessment Agency, to strengthen the assessment and certification ecosystem in the area of EHS skill development.

The collaboration brings together SSDF's expertise in occupational safety and EHS standards, qualifications and workforce development with Asset Author Pvt. Ltd.'s capabilities in assessment services. The partnership aims to support robust, competency-based and industry-relevant assessment practices aligned with the evolving requirements of the safety sector.

Under the MoU, both organisations will explore opportunities for collaboration in areas including:

- **Strengthening competency-based assessment and certification**
- **Supporting industry-relevant assessment practices**
- **Enhancing the quality and credibility of safety skill assessments**
- **Promoting standardised assessment processes aligned with defined competencies**
- **Supporting the development of a skilled, competent and safety-conscious workforce**

The partnership reflects a shared commitment to strengthening the quality of assessment and certification within the safety skilling ecosystem and contributing to improved workforce readiness across industries.

SSDF looks forward to a productive and meaningful association with Asset Author Pvt. Ltd. and to jointly contributing towards a stronger, more credible and industry-responsive EHS skill development ecosystem.
